IN MEMORIAM
As the years pass by and longer I cherish your memory, it brightens my ways.
In each little corner and room in our home,
Your voice and your smile will forever roam.
I still hear your footsteps, my wife so dear,
And see the way clearly we traveled without fear.
The Lord called you and freed you from care,
Someday I'll be with you in that city so fair.
—In loving memory of my wife,
Mrs. Oscar Jamerson.

IN MEMORIAM
My daughter, our aunt and sister so dear,
We remember your face, a picture so clear,
That beautiful smile, that gentle sweet way,
That tinkle of laughter you gave us each day.
Two years since God called you To a life strong and new,
We cherish the little ones you left in our care.
We pray we'll all meet you, someday in that home over there.
—In memory of Mrs. Frances Jamerson, Woodson. Thy Father, Brothers Sisters Nl.es & Newphews

IN MEMORIAM
In sad but loving memory of our loved one, son and brother, James Thurman Gibson, who passed away 17 years ago today, July 17, 1944. It has been 17 long years since you left us, Dear Jimmy,
You slipped away so quietly,
Without saying goodbye,
Although the sun must set for each of us,
And for those we love so much,
We never forget.
A precious one from us has gone,
A voice we loved is stilled,
A place is vacant in our home,
That never can be filled,
God bless the memory of you,
And some day in His own good time, we shall be reunited again.
With one last hope if you can not come to us, but we can come to you. Your lovings,
Mom, Dad, Bill & Charlie.

indicate that Congress in February 1960 intended to freeze the percentage composition of the crop for individual support rates by grades when it stabilized the general level of price support.

Officials stated that the tobacco price support program requires continuous review because of rapid changes in demand, varieties and cultural practices.

The 1961 crop grade rates ranging from 82 cents per pound to 22 cents per pound as compared to a range from 82 cents to 20 cents for the 1960 crop. As in past years, growers will offer their tobacco at auction markets in the usual manner and price support will be available to eligible producers through the Flue-cured Tobacco Cooperative Stabilization Corporation.

Loans will be made on the basis of official standard grades at a specified rate for each grade, with 6-cent-per-pound differential between "tied" and "untied" tobacco. Loans are available on "untied" tobacco only in the Georgia-Florida marketing area.

Tobacco of Coker 139, Coker 140 and Speight 344 varieties will again be supported at one-half the support rates for comparable grades of other varieties.

Copies of the loan rate schedule may be obtained from the Tobacco Division Agricultural Stabilization and Conservation Service, Room 4749, South Building, U. S. Department of Agriculture, Washington 25, D. C.

Flue-cured tobacco is grown in Alabama, Florida, Georgia North Carolina, South Carolina and Va.

## APPOMATTOX TO GET RESCUE SQUAD

An organizational meeting of the Appomattox Rescue Squad was held at the Court House last Friday night. Kenneth Jamerson was elected temporary captain, and Aimond was named temporary secretary.

Mr. Jamerson immediately appointed the following temporary committees: property and purchasing, Ned Shorter, chairman, Gordon Staples and Jack Caldwell; Finance, R. D. Robinson, chairman, Ivey Holland, S. R. Lawson, Harry St. John and Fred Wooldridge; training, Kenneth Jamerson, chairman, Carroll Lane, Bill Chenault; publicity, Billy Conner, chairman, and Jim Redding.

The committees were instructed to report back at the next meeting, which is scheduled for Tuesday August 1, at 7:30 P. M., at the court house,

Persons attending this meeting reported much favorable comment concerning efforts of the members of the Jaycees toward this project. The Jaycees would like to say that it is not planned that the Jaycees will supervise or operate the Rescue Squad after it is organized. They are only the sponsoring organization. Therefore, they request that all interested persons be present at the next meeting and express their opinions in order that the Jaycees will know whether or not to continue. They would also like to say that persons attending these meetings are not necess ily volunteering to serve as crew members or officers, but are attending as interested citizens.

## 4-H CONSERVATION CAMP

By Herbie Pulliam

This year, 175 outstanding Senior 4-H Club members and leaders took part in the State 4-H Conservation Camp at 4-H Camp Farrar, Virginia Beach, July 17-22.

The camp theme was "Charting a Course in Natural and Human Resource Conservation." This was a constant challenge to both 4-H members and leaders. Campers came from all over Virginia.

Nancy Jo Kidd, Ann Carol Dickerson, Herbie Pulliam, and Joe Terry, Jr., attended from Appomattox County. Each received a partial scholarship to this special camp from Mr. Charles L. Horn, president of the Federal Cartridge Corporation.

Many campers competed during the week in various phases of conservation, sports, and recreation which added up to many wonderful experiences and good times. Each year, a full scholarship is given to the boy and girl who are most outstanding campers from the standpoint of leadership and participation. Herbie Pulliam, of the Appomattox Senior 4-H Club was awarded the boy's scholarship, and will return to camp next year on a full scholarship.

The classes and activities were conducted to give maximum instruction in soil and water, forestry, wildlife, insect, and human conservation. In addition to formal instruction, emphasis was placed on the development of leadership training and camper's participation in all phases of the week-long activities.

Archery, firearm safety, volleyball, square and round dancing, group discussions, softball, evening campfire programs, swimming in the ocean, surfing and numerous other activities were grend.

(Editor's note: a picture to accompany the above news article did not reach us publication deadline).

Play safe — drive carefully.

Hope to see up a Rescue Squad here in Appomattox.

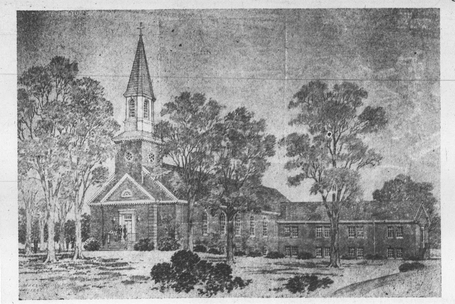
# Local Methodists Announce Cornerstone Laying



Cornerstone laying Ceremonies for the New Church and Church School Edifice of Memorial Methodist Church, located on Church Street, adjacent to the Court House in Appomattox, will be conducted at 12 noon, July 30, with Dr. Edgar A. Potts, Lynchburg District Superintendent, assisted by the pastor, the Rev. Richard A. Bergdoll, and members of the Building Committee: Ivey Holland, chairman; C. T. Moses, Jr., vice-chairman; John S. Grinels, secretary; Claude W. Smith, Grover E. Smith, Thelbert M. Tyree, and Fred H. Lawson; and the Board of Trustees: Chas. T. Moses, Sr., Claude W. Smith, E. LeRoy Smith, A. A. Babcock, Grover E Smith, R. A. Stearn, and John S. Grinels; and representatives of the contractors, J. E. Jamerson and Sons, of Appomattox.

The ceremonies to be conducted at the New Church, will be preceded by worship services in the present sanctuary, beginning at 10:45 A. M. EST, with the Mens' Chorus of the church presenting special music. The services will conclude in ample time for the entire congregation to assemble at the new location for the Cornerstone Laying at 12 noon. These ceremonies will last only 45 minutes, and members of the neighboring Communions of the community and surrounding territory are cordially invited. The Sunday School will begin promptly at 9:45 A. M., and dismiss at 10:25.

The church leaders said: "It is truly a thrilling experience to have part in the building of a new church; but it is doubly thrilling to be able to participate also in the erection of an enduring Church School building. The sanctuary will seat approximately 500, including space for 35 choristors, and two classrooms at the rear, one for the ladies and the other for the men's Bible classes, each providing for approximately 50 persons.

The Children's Division will provide room for 150 pupils, an anticipated expansion of 40 children. There will be a Crib Room, two classrooms for the Kindergarten department, each having connecting toilet facilities and ample closets.

There will be three classrooms for the Primary and Junior departments, with approximately twice the floor space of the present accomodations. The Junior and Senior High departments will each have three spacious classrooms, with folding doors, enabling the groups to meet in assemblies for devotions, fellowship, and recreation. A generous provision is being made in the new Educational Building for the older youth group.

The facility calls for general expansion in all of the church activities and services.

Several needed new features of the new church edifice will include a stage with overhead lights for use by groups in the presentation of Christian drama and devotions; an adequate pastor's study and church office, and a well equipped kitchen with serving window opening into a social hall which will seat 200 as a minimum at tables for following recreation demands in the Christian life. There are rooms which can be used most appropriately for the Scout Program and youth activities.

# New Defense Build-up May Be Felt Here

## DRAFT CALLS

The effects of the stepped up defense program advocated by President Kennedy this week, may soon be felt in all areas of the nation.

A first probability is an increase in draft calls by the Selective Service. For some time, the calls for this county have been only one draftee per month. Reenlistments of those already in the armed services have kept at a normal level the number of men from this county in the various services.

It is now likely, it is believed, the draft calls will be at least doubled. The county has a fairly long list of men in the "available" group. The calls for those who take armed force physical examinations may be increased.

As a further possible development the Civil Defense Program is likely to be stepped up.

John Cole is the Civil Defense chairman for Appomattox County, having succeeded the late Sheriff David T. Robertson. Chas. F. P. Crawley is co-ordinator, Mr. Cole advised yesterday that several new committees will be set-up. As director of Civil Defense here, Mr. Cole advises that he has a build-up of information and suggestions on a variety of categories, such as possible bomb shelters and other items connected with the overall civil defense program.

Rep. Watkins M. Abbitt gave his approval this week to the defense program of President Kennedy. So did other Virginia political leaders.

## CARRIERS WIN SAFETY PINS

At a dinner meeting of the personnel of the Appomattox Post Office and their families held Tuesday evening at the Parkway Restaurant, Postmaster H. W. Conner presented Safety Award pins to the four R.-F. D. carriers from this office. These pins were provided by the National Safety Council.

W. E. Hancock was presented a pin representing 24 years of safe driving; William C. Hubbard, 22 years; Reggie W. Stanley, 18 years, and S. A. Lawson, 11 years. The years served by these carriers total 76, and represent 1,323,841 miles of travel.
